Q: May I enter on more than one account?

A: No, you can only enter with one account (one email address). If it's discovered that a person has registered or attempted to register more than once using multiple email addresses or residential addresses, identities, IP addresses, proxy servers, or like methods, all of that person's entries will be declared null and void and that person will not be awarded any prize that he/she might have been entitled to receive.

Q: Why can't I register with my P.O. box address?

A: Our shipping service cannot ship any prizes to a P.O. box, so if you're identified as a winner, we need to send the prize directly to your business address. If you do not have a business address, you may use your home address.
